

WEEKEND RECAP

God is so BIG! He created every good thing in creation. He helped David beat Goliath. He helped Israel defeat a city with a huge wall. He saved His people from the most powerful nation on Earth! Most importantly, God saved us from sin by sending His son, Jesus. Because of Jesus, His death, and His resurrection, we can have a relationship with God. That relationship begins the moment you say yes to Jesus. As you talk with God, praise Him, read His Word, live for Him, and follow Jesus, you will be amazed at what He does in your heart and in your life.
